ARTICULATION AGREEMENT
BETWEEN
ROCKFORD CAREER COLLEGE
AND THE CURATORS OF THE UNIVERSITY OF MISSOURION
BEHALF OF THE UNIVERSITY OF MISSOURI

Associate in Applied Science - Veterinary Technology to a
Bachelor of Science in Veterinary Technology (BSVT)

OVERVIEW:
This articulation agreement is made and entered into by Curators of the University of Missouri on behalf of the University of Missouri College of Veterinary Medicine in Columbia, MO, hereinafter referred to as MUCVM, and Rockford Career College in Rockford, IL, hereinafter referred to as RCC- VT. By this agreement, RCC and MU-CVM express a shared commitment to increasing opportunities for student access to and success in higher education. By clarifying transfer policies and procedures, which assure articulation between programs, the institutions seek to assist students in making a seamless transfer from the associate to the baccalaureate degree.

PURPOSE:
This agreement provides students who have earned an Associate in Applied Science in Veterinary Technology (AAS-VT) the opportunity to complete a Bachelor of Science in Veterinary Technology (BSVT) at MU. Any RCC-VT student, who has earned an AAS as outlined below, is guaranteed that MU-BSVT will accept designated RCC-VT credits and will apply such to the Bachelor of Science in Veterinary Medicine degree.

CONDITIONS OF TRANSFER:
Section I: Admissions and Matriculation

RCC-VT students maintaining continuous enrollment under this agreement will be afforded the same treatment and protections as if they were MU native students enrolled under a specific catalog.

RCC, upon request of students, will provide verification of completed courses to MU College of Veterinary Medicine. The transcript of students transferring from RCC will be evaluated by MU Office of Admissions.

Criteria for Admission to MU, College of Veterinary Medicine, VT/BSVT Program
• Completion of an Associate in Applied Science – Veterinary Technology program as posted to the official RCC transcript after February 1, 2008
• Official transcripts from all colleges and universities attended on file with the Admissions Office
• A transcript review on file
• Current licensure as an RVT/CVT/LVT/LVMT in the United States
• Successful completion of all general education and prerequisite coursework
• Minimum cumulative grade-point average of 2.5 (on a 4.0 scale) for all college/university courses attempted, including technical coursework articulated in this agreement
• Evidence of capacity to uphold the practice standards and ethical codes of the veterinary technology profession.

Transfer students from RCC-VT will have access to financial aid and student services on the same basis as native students. MU will apply the same academic progress and graduation standards to RCC-VT transfer.
students as those applicable to native students at MU.

MU will maintain transfer degree plans for these programs to show equivalent courses.

**Section II: Transfer of Credit**
The transcript(s) from all previous institutions attended by a student transferring from RCC shall be onfile and evaluated by the MU Office of Admissions. MU will accept all transfer credits from a regionally accredited college or university, except any courses that are technical, vocational or developmental, unless specifically articulated via the transfer guide referenced in this agreement.

While there is no maximum number of credit hours that can be transferred by a student from RCC to MU, 30 of the last 36 hours of credit must be completed with MU authored courses to be applied to the Bachelor of Science in Veterinary Technology. Transfer students from RCC, meeting the criteria listed above will be accepted into the VT/BSVT Option at MU, College of Veterinary Medicine.

**Section III: Transfer Guides**
Transfer Guides will be developed and periodically updated cooperatively between MUCVM and RCC-VT. Each Transfer Guide will specify the MU degree course requirements and equivalent RCC-VT courses. All Transfer Guides will be considered addendums to this agreement and are subject to revision. For a given catalog year, the most recent program plan study addendum will take precedence over all previous program plan study addendums.

Mizzou online academic advisors will be available to communicate with students seeking enrollment in this program regarding: course enrollment, academic standing, GPAs, transfer timelines, degree progress, and program standing on a routine basis.

**COMMUNICATION AND PROGRAM CONTACTS:**
Any notice, request, demand or other communication required by or permitted under this Agreement shall be in writing and shall be deemed to have been duly given when received by the party to whom directed; provided, however, that notice shall be conclusively deemed given at the time of deposit in the United States mail and sent by certified or registered mail, postage prepaid, to the other party at the following address:

University of Missouri, Attn: Mitzi Clayton, Director of Community College Relations, 230 Jesse Hall, Columbia, MO 65211

Rockford Career College, Attn: Dr. Rebecca Cardenas, Director of Veterinary Technology Program, 1130 S. Alpine Road, Rockford, IL 61108

**TERMS OF AGREEMENT:**
This agreement is made and entered into in the academic 2021-2022 and remains in force unless changed in writing by mutual agreement of both parties. This agreement may be amended at any time with approval of both parties and is subject to regular review to assure currency with the respective degree requirements. Should either party desire to discontinue this agreement, advance notification of one year will be required.

**GENERAL PROVISIONS:**
The institutions acknowledge that they are separate and independent entities, and that this agreement shall not be construed to create a partnership, joint venture or any other organizations combination of the parties, nor shall it authorize either party to act as an agent for or bind the other party on any matter.
This agreement does not contemplate the payment of any fee or remuneration by either party to the other relating to the transfer of academic credit, but is intended to jointly benefit both the educational mission of both institutions.

Nothing in this agreement shall be construed as creating or giving rise to any rights in any third parties or any persons other than the parties hereto.

This agreement may be amended at any time by mutual agreement of the parties, provided that before any amendment shall be operative or valid, it shall have been reduced to writing and signed by both parties. If any provision of this agreement is found to be in conflict with the provisions of any governmental law, rule or regulation, such provision shall be severable and the remainder of this agreement shall not be impaired and shall remain in full force and effect.

This agreement and the rights of the parties shall be construed and governed according to the laws of the State of Missouri.

SIGNATURES:
The Rockford Career College of Rockford, IL and the Curators of the University of Missouri on behalf of University of Missouri enter into this program articulation agreement by the affixing of signatures of the Chief Executive Officers of both institutions.
